TITLES/POSITIONS

- President and Chief Executive Officer, Manhattan Cat Specialists, Inc. November 2001 – present
- Contributing Editor, Cat Fancy magazine, April 2002 - present
- Editorial Board, VetPlace.net, specialty of Feline Medicine, December 2001 – present
- Editorial Advisory Board, Veterinary Forum magazine, specialty of endocrinology, May 1998 – present
- Medical Editor, Catnip magazine, August 2004 – present
- Expert Veterinarian, CatChannel.com, April 2006 - present

CERTIFICATION

- American College of Veterinary Internal Medicine (specialty of Internal Medicine)
- American Board of Veterinary Practitioners (specialty of Feline Medicine and Surgery)

EDUCATION

- Colorado State University College of Veterinary Medicine, Fort Collins, Colorado, 1994 – 1996. Residency in Small Animal Internal Medicine.
- University of Pennsylvania School of Veterinary Medicine, Philadelphia, Pennsylvania, 1989 – 1990. Internship in Small Animal Medicine and Surgery.
- University of Florida College of Veterinary Medicine, Gainesville, Florida, 1984 – 1988. DVM degree.
- University of Florida, Department of Microbiology and Cell Science, Gainesville, Florida, 1981 – 1983. MS degree in Immunology.
- State University of New York at Binghamton, Binghamton, New York, 1978 - 1981. BS degree in Biology.
- New York University, New York, New York, 1977 - 1978.

PROFESSIONAL POSITIONS

- Contributing Editor, Dog World magazine, July 2002 – February 2003
- Purina Cat Chow Mentor Panel on Feline Health, January 2000 – April 2002
- Contributing Editor, Dog Fancy magazine, January 2001 – July 2002
- Staff Internist, Vice President of Animal Health, and Vice President of the Bergh Memorial Animal Hospital of the American Society for the Prevention of Cruelty to Animals, 1999 - 2001.
- Contributing Editor, Animal Watch magazine, 1999 – 2001
- Contributing Editor, Pet Business magazine, 2000 – 2001
- Chief of Staff and Hospital Director; Chair, East Region Formulary Committee; Member, National Formulary Committee; Member, Medical Development Task Force; VetSmart Pet Hospital and Health Center, Columbia, Maryland, 1996 - 1999
- Resident in Small Animal Internal Medicine, Colorado State University College of Veterinary Medicine, Fort Collins, Colorado, 1994 - 1996.
- Associate Veterinarian, Cat Hospital At Towson, Baltimore, Maryland, 1990 - 1994.
- Intern, Small Animal Medicine and Surgery, University of Pennsylvania School of Veterinary Medicine, Philadelphia, Pennsylvania, 1989 - 1990.
- Associate Veterinarian, Old Canal Veterinary Hospital, Plainville, Connecticut, 1988 - 1989.

LICENSURE

- New York (license # 8187)

PROFESSIONAL SOCIETY MEMBERSHIP

- American College of Veterinary Internal Medicine
- American Board of Veterinary Practitioners
- American Veterinary Medical Association
- Society for Comparative Endocrinology
- American Association of Human-Animal Bond Veterinarians
- New York State Veterinary Medical Association
- American Association of Feline Practitioners
- Association of Veterinarians for Animal Rights
- Morris Animal Foundation
- Cat Writers' Association of America

- Dog Writers' Association of America

AWARDS AND RECOGNITION

- Cat Writers' Association Certificate of Excellence, 2006 Communications Contest, Best Magazine Article, Health and General Care, "Parasite Protection"
- Cat Writers' Association Certificate of Excellence, 2006 Communications Contest, Best Magazine Article, Health and General Care, "Fetid Felines"
- Cat Writers' Association Certificate of Excellence, 2006 Communications Contest, Best Magazine Article, Health and General Care, "Say Aah"
- Cat Writers' Association Certificate of Excellence, 2006 Communications Contest, Best Magazine Article, Health and General Care, "Mapping the Feline Genome"
- Cat Writers' Association Certificate of Excellence, 2006 Communications Contest, Best Newsletter Article, Health and General Care, "Toxic Tragedies"
- Cat Writers' Association Certificate of Excellence, 2006 Communications Contest, Best Newsletter Article, Health and General Care, "Diagnosis: Transient Diabetes"
- Cornell Feline Health Center Veterinary Issues Award, Cat Writers' Association 2006 Communication Contest, for the article entitled "Mapping the Feline Genome"
- Merit Human-Animal Bond Award, Cat Writers' Association 2005 Communications Contest, for the article entitled "Ethel".
- Hartz Glamour-Puss Award, 2005 Cat Writers' Association 2005 Communications Contest, for the article entitled "Brush Up on Hair Loss".
- Cat Writers' Association Certificate of Excellence, 2005 Communications Contest, Best Magazine Article, Health and General Care, "The Renal Deal"
- Cat Writers' Association Certificate of Excellence, 2005 Communications Contest, Best Magazine Article, Health and General Care, "Is There an Easy Test for FIP"
- Cat Writers' Association Certificate of Excellence, 2005 Communications Contest, Best Magazine Article, Health and General Care, "Living with AIDS"
- Cat Writers' Association Certificate of Excellence, 2005 Communications Contest, Best Newsletter Article, Health and General Care, "Matters of the Heart"
- Cat Writers' Association Certificate of Excellence, 2005 Communications Contest, Best Newsletter Article, Health and General Care, "Arterial Thromboembolism"
- Purina Kitten Chow Kitten Award, 2004 Cat Writers' Association 2004 Communications Contest, "Feline First Aid: Basic Know-How Can Save Your Kitten's Life"
- Cat Writers' Association Muse Medallion, 2004 Communications Contest, Best Magazine Article, "Feline First Aid"
- Cat Writers' Association Muse Medallion, 2004 Communications Contest, Best Magazine Column, "Feline Frontiers"
- Cat Writers' Association Certificate of Excellence, 2004 Communications Contest, Best Magazine Article on Feline Health, "New Treatments for Feline Asthma"
- Cat Writers' Association Muse Medallion, 2003 Communications Contest, Best Magazine Column, "The Vet Files"
- Cat Writers' Association Certificate of Excellence, 2003 Communications Contest, Best Magazine Article on Feline Health for "Fighting Feline AIDS"
- Cat Writers' Association Certificate of Excellence, 2003 Communications Contest, Best Magazine Column, "The Vet Files"
- Cat Writers' Association Certificate of Excellence, 2003 Communications Contest, Best Magazine Column, "Feline Frontiers"
- Graduation with honors, University of Florida College of Veterinary Medicine
- Phi Zeta Veterinary Honor Society, University of Florida College of Veterinary Medicine
- Graduation with honors, University of Florida Department of Microbiology and Cell Science
- Graduation with honors, State University of New York at Binghamton
- Dean's List, New York University

TEACHING EXPERIENCE

Colorado State University

- Problem Based Learning, third year veterinary students, 1994 - 1996
- Procedures Laboratory, third year veterinary students, 1994 - 1996
- American Animal Hospital Association Case Discussion, third and fourth year veterinary students, 1994 - 1996

University of Florida

- Immunology Procedures Laboratory, 1983
- Microbiology and Cell Science Laboratory, 1981 - 1982

INTERN AND RESIDENT SEMINARS

Colorado State University (resident):

- Non-Insulin Dependent Diabetes Mellitus in the Cat and Potential Therapeutic Use of Vanadium Compounds - 1995

University of Pennsylvania (intern):

- Inflammatory Bowel Disease as a Pre-neoplastic Condition in a Great Dane - 1990

INVITED PRESENTATIONS

American Animal Hospital Association Conference, Western Regional Meeting, Colorado Springs, Colorado, March 1995

- Hyperadrenocorticism (Cushing's disease) in the dog (2 hours)
- Hypoadrenocorticism (Addison's disease) in the dog (1 hour)

Fourth Annual VetSmart Educational Symposium, Nashville, Tennessee, November 1998

- Antibiotics and Antibiotic Therapy (4 hours)

ASPCA CONTINUING EDUCATION SEMINARS

- Parvovirus May 4, 1999
- Diabetes Mellitus in the Cat, May 18, 1999
- Diabetic Complications, June 1, 1999
- Hemostasis, Coagulopathies, and von Willebrand's Disease, June 29, 1999
- Hypothyroidism Part I, July 13, 1999
- Hypothyroidism Part II, July 27, 1999

- Antibiotic Therapy Part I, August 24, 1999
- Antibiotic Therapy Part II, September 7, 1999
- Hypercalcemia, September 21, 1999
- Asthma, October 5, 1999
- Giardia, October 6, 1999
- Urinary Incontinence, November 2, 1999
- Immune Mediated Hemolytic Anemia, November 16, 1999
- Vaccination Philosophies and Protocols, December 14, 1999
- Pancreatitis, February 1, 2000
- Leptospirosis, February 2, 2000
- Heartworm Disease in the Dog, March 15, 2000
- Heartworm Disease in Cats, April 4 2000
- Small Intestinal Bacterial Overgrowth, April 5, 2000
- Demodicosis in Dogs, May 16, 2000
- Fluid Therapy, July 18, 2000
- Insulinomas, July 19, 2000
- Mast Cell Tumors, September 20, 2000
- Glomerulonephritis, November 7, 2000
- Fever of Unknown Origin, March 28, 2001
- Cushing's Disease: the Pathophysiology, April 10, 2001
- Cushing's Disease: the Diagnosis and Treatment, April 24, 2001
- Introduction to Flexible Endoscopy, June 5, 2001
